

## JIRA Files

Date	19 September 2022
Team ID	PNT2022TMID11434
Project Name	Project – Smart Waste Management System for Metropolitan Cities

The screenshot shows the Jira Backlog view. The left sidebar contains the project navigation menu with options like Roadmap, Backlog, Board, and Code. The main area displays the 'Backlog' for the project. A banner at the top asks if the team needs more from Jira. Below this, the 'SWMSFMC Sprint 1' is shown, spanning from 24 Oct to 29 Nov. Two issues are listed: 'SWMSFMC-1 As Admin, I need to give access to every workers in the municipal...' and 'SWMSFMC-2 As Co-Admin, I'll control the garbage level by monitoring t...'. Each issue has a 'LOGIN' label and a progress indicator. A '+ Create issue' button is at the bottom.

The screenshot shows the Jira Roadmap view. The left sidebar contains the project navigation menu with options like Roadmap, Backlog, Board, and Code. The main area displays the 'Roadmap' for the project. A banner at the top asks if the team needs more from Jira. Below this, the 'SWMSFMC Sprint 1' is shown, spanning from 24 Oct to 29 Nov. Two issues are listed: 'SWMSFMC-6 Login' and 'SWMSFMC-7 Dashboard'. Each issue has a 'LOGIN' label and a progress indicator. A '+ Create Epic' button is at the bottom.
